

28 January 2010

Dear Applicant

Lecturer/Fellow in Theoretical Condensed Matter Physics
Ref: Z0110/5651

Thank you for expressing an interest in the post of Lecturer/Fellow in Theoretical Condensed Matter Physics in the Physics Department. The application pack includes a job description, person specification and application form, along with information about working at the College. You may also find further useful information on the College's website <http://www.rhul.ac.uk/personnel/JobVacancies.htm>

Applications should be made using the College's standard application form, to which should be appended:

- (i) a full *curriculum vitae*;
- (ii) the names and addresses of three academic referees;
- (iii) a statement of current research activities and areas of interest;
- (iv) a list of publications.

Please submit **six copies** of all documentation to the HR Department by post; HR Department, Royal Holloway, University of London, Egham, Surrey TW20 0EX.

The salary for the post is in the range £36,715 - £43,840 per annum on the RHUL 8 grade for academic staff. London Allowance of £2,134 per annum is payable in addition to salary. The post is available from the 1st June 2010 and is a full time position.

Further details on the terms and conditions of employment for academic staff can be found at:

<http://www.rhul.ac.uk/personnel/Policydocs/TermsandConditionsAcademicstaffDec09.pdf>

For an informal discussion about the requirements of the post and working at Royal Holloway, University of London, please contact Professor John Saunders at j.saunders@rhul.ac.uk.

All applications should be received by midday on 30th April 2010.

I hope that you find the enclosed information interesting and look forward to receiving your application.

Yours sincerely

D Hardy
